

The project “Building of Rural Development Resources in Balkan region - No BoRDeR” is supported by:

Ministry of Foreign Affairs
Republic of Korea

LAG WORK

Zuzana Guthová
Montenegro, May 2015

STRUCTURE OF LAG

- LAG structure has to be based on the requirements of the national LEADER (CLLD) program
- It may differ between countries and should match basic roles of organisation:
 - Decision making od different levels
 - Administration capacity
 - For organisation (LAG) issues management
 - For project selection, administration, evaluation,

LAG STRUCTURE - EXAMPLE

- ◉ General assembly
- ◉ Board
- ◉ Administration body
- ◉ Audit commission

- ◉ Project selection committee
- ◉ Monitoring (evaluation) committee

Working groups: tourism, agriculture, education, social care, employment and entrepreneurship

DIFFERENCIES BETWEEN TECHNICAL ACTIVITIES AND MEMBER MANAGEMET OF LAG

◉ technical activities:

- administration of LAG projects and applicants project from the territory
- Indicators monitoring, evaluation of Strategy
- (not only indicators but also how are the strategic objectives fulfilled)
- Public relation
- Communication strategy (web pages, publications, newsletter media..)

⦿ member managemet

- Involvement of members into LAG activities
- Working groups
- Community workshops etc.
- Public relation

DECISSION MAKING IN LAG

⦿ Standard level

- Board
- General assembly

⦿ Other possible tools

- Working groups may have some decision-making power or may prepare proposals for decision-making bodies of standard level

PREPARATION AND SELECTION OF STRATEGY

- ◉ Who is working on it?
 - Secretariat/administration body (basic statistical data)
 - SWOT analysis, priorities
 - Working groups (including LAG members, experts) - SWOT analysis
 - Communities (community workshops) - SWOT

- ◉ Strategy improvement
 - General assembly (working groups)
 - Municipalities in the region

HOW SELECT PROJECTS?

- mandatory selection criteria
 - set by Ministry, or program
- optional selection criteria (set by LAG)
 - Set by LAG
 - These criteria can support strategy objectives

Selection committee:

scoring projects

public hearing

ex ante evaluation

Selection of projects - decision - making body

WHAT IS DAILY ACTIVITIES?

Thank you for your attention
