

The project “Building of Rural Development Resources in Balkan region - No BoRDeR” is supported by:

Ministry of Foreign Affairs
Republic of Korea

STEPS BETWEEN THE START AND ESTABLISHED LAG

Zuzana Guthová
Czech Republic

DEVELOPMENT OF STRUCTURE IN LAG

- LAG - an organisation/NGO
 - decision-making, managing and controlling components common for NGO
- LAG -an institution for LEADER implementation
 - Has to secure structures for project selection, monitoring, evaluation, etc.

(structure of LAG Rose Association)

ROLES IN LAG

Each organisation level has own role:

Member assembly

Decision making board

Administration

Management

.....

Roles have to be defined in status and basic documents, approved by member assembly and accepted by paying agency

ROLE OF LAG IN THE REGION

- Animation of the region
- Support of multisectoral partnership
- Development agency
 - Support of projects of subjects from the region
 - Implementation of own projects focust on local development
 - Preparation and implementation of multisectorial projects in the region

WHAT TO DO BETWEEN START AND ...?

- Linking actors within the region
- Transfer know how and of good practice from other sectors, regions, countries
- Promote and support multiplication effect of multisectorial projects
- Promote and use synergy effect of cooperation
- Good knowledge of the environment as well as of local actors may increase dramatically efectivity of projects implemented

Thank you for the attention
